To whom it may concern,

I can't express how we are impressed with Brown Development's high standard of construction. I am a builder of many homes in my 48 years as a licensed General Contractor and a discerning home buyer.

We are very comfortable in our new home. The Brown Development staff and Greg Brown are very responsive and follow up with our needs. His staff is easy to work with. We would recommend a Brown Development home to people needing a superior new home.

Sincerely,

*Jim and Bobbie Kruppe*
