Making the decision to buy a home in Maui is easy, but actually choosing that home is a very difficult process. We viewed our home multiple times before we bought it. There was just no comparison with it! We loved the location in Launiupoko. The view is just spectacular and the home was clearly built to take full advantage of it.

Living in our home is a dream come true for us. We appreciate the beautiful materials that were used consistently throughout the home, allowing the home to flow very naturally and consistently from one room to the next. The workmanship and attention to detail in the construction of the home are superb. These things made our home very easy to decorate and living here is quite comfortable. Our home is unique to many in the area and we receive many compliments on it, all due to the team at Brown Development.

During our process of purchasing this home and moving in, we have had the opportunity to know Greg and several members of his team. They are all just wonderful people. They are professional in every encounter and understand customer service. Greg clearly expects nothing but the highest quality in all aspects of his team and they consistently deliver. They provide seamless service after the sale and we have felt very comfortable to contact them with any question that we have at any time.

Our decision to purchase a Greg Brown home was one of the best ones we have ever made. We look forward to many years living our happily-ever-after Maui dream in this lovely home.

Sincerely,
