Re: Letter of Recommendation for Brown Development and Greg Brown

To Whom It May Concern:

My wife and I bought our first Brown Development home in 2008. We were very happy with the build quality of the home and the service Greg provided us. When it came time to build another home, we did not hesitate to contract with Brown Development for the design and construction.

Greg built our second Maui home in 2017-18. Greg handled the design, permitting, grading, and construction. The whole project went smoothly and headache-free. Everything exceeded our expectations. The home turned out beautifully, and everything went as scheduled and budgeted. Brown Development has continued to provide us with great service on the project. We are very happy with our new Greg Brown home.

I highly recommend using Greg Brown and Brown Development as a builder for fine homes in Hawaii.

Sincerely,
